## **2020 Application for Technical/Trade/Vocational Students**

The CARH Scholarship Foundation will award a total of five scholarships. Each scholarship will be **\$1,500 per semester** for educational expenses, with a maximum four years of funding. **The Foundation is encouraging submission of applications from residents who will be attending Technical/Trade/Vocational schools. If there are qualified submissions, at least one of the scholarships will be awarded in this category.** All applicants are eligible for the other four scholarships.

### **Technical/Trade/Vocational Student Applicants Must:**

- Be accepted at, or enrolled as, a full-time student at an accredited technical, trade, or vocational school or program;
- Currently reside in a CARH-member property;
- Be a United States citizen or permanent legal resident;
- Demonstrate the likelihood of program completion; and
- Demonstrate financial need.

### **Scholarship Recipients Expectations:**

If you are selected as one of the five scholarship winners, the CARH Scholarship Foundation will provide \$3,000 per year (or \$1,500 per semester) to assist you in paying for expenses related to your enrollment at the accredited school. Pursuant to the requirements of the Internal Revenue Code §117(b), the funds you receive from the Scholarship Program must be used:

- to pay tuition and fees required for enrollment at an educational institution; or
- to pay for fees, books, supplies, and/or equipment required for courses of instruction at such educational institution.

*Promoting Education for Residents of Affordable Housing in Rural America*

In addition, you will be required to agree:

- That any funds not expended or committed for the purposes of the scholarship set forth above will be returned to the Foundation;
- By January 1st and June 1st of each year, you will submit evidence of continuing eligibility, including evidence of tuition billing/payment at the accredited technical, trade, or school or program for the term for which the scholarship is awarded.
- Evidence of continuing eligibility must include a grade report showing that a minimum Grade Point Average (GPA) of 2.0 was maintained while enrolled. If after any completed grading period you do not maintain this standard, then the CARH Scholarship Foundation may terminate the scholarship or may, in its sole discretion, place you on probation. In such case, failure to achieve this standard in a timeframe determined by the Foundation will result in termination of the scholarship.

Completed applications only will be considered if received by the Scholarship Foundation **on or before the deadline of April 30, 2020.** Please be sure to:
