2021 Application for Technical/Trade/ Vocational Students

The CARH Scholarship Foundation will award a total of six scholarships. Each scholarship will be **\$1,500 per semester** for undergraduate educational expenses, with a maximum four years (eight semesters) of funding. If there are qualified submissions, at least one scholarship will be awarded to an applicant for a Technical/Trade/Vocational school or program. All applicants are eligible for the other five scholarships.

Non-Traditional Student Applicants Must:

- Be a high school graduate or equivalent and out of high school for five or more years;
- Be accepted at, or enrolled as, a full-time, undergraduate student at an accredited 2- or 4-year college or university or accredited technical/trade/vocational school or program;
- Currently reside in a CARH-member property;
- Be a United States citizen or permanent legal resident;
- Demonstrate a substantial work or volunteer history that reflects the likelihood of academic achievement; and
- Demonstrate financial need.

Scholarship Recipients Expectations:

If you are selected as one of the six scholarship winners, the CARH Scholarship Foundation will provide \$3,000 per year (or \$1,500 per semester) to assist you in paying for expenses related to your enrollment at the accredited school. Pursuant to the requirements of the Internal Revenue Code §117(b), the funds you receive from the Scholarship Program must be used:

- to pay tuition and fees required for enrollment at an educational institution; or
- to pay for fees, books, supplies, and/or equipment required for courses of instruction at such educational institution.

Promoting Education for Residents of Affordable Housing in Rural America

In addition, you will be required to agree:

- That any funds not expended or committed for the purposes of the scholarship set forth above will be returned to the Foundation;
- By January 1st and June 1st of each year, you will submit evidence of continuing eligibility, including evidence of tuition billing/payment at the accredited technical, trade, or school or program for the term for which the scholarship is awarded.
- Evidence of continuing eligibility must include a grade report showing that a minimum Grade Point Average (GPA) of 2.0 was maintained while enrolled. If after any completed grading period you do not maintain this standard, then the CARH Scholarship Foundation may terminate the scholarship or may, in its sole discretion, place you on probation. In such case, failure to achieve this standard in a timeframe determined by the Foundation will result in termination of the scholarship.
