2022 Application for Traditional Students

The CARH Scholarship Foundation will award a total of six scholarships. Each scholarship will be **\$1,500 per semester** for undergraduate educational expenses, with a maximum four years (eight semesters) of funding. If there are qualified submissions, at least one scholarship will be awarded to an applicant for a Technical/Trade/Vocational school or program. All applicants are eligible for the other five scholarships.

Traditional Student Applicants Must:

- Be a candidate for high school graduation in 2022, or in the past five years earned a high school diploma or equivalent;
- Be accepted at, or enrolled as, a full-time, undergraduate student at an accredited 2- or 4-year college or university or accredited technical/trade/vocational school or program;
- Currently reside in a CARH-member property (initially developed in a USDA-designated rural area or currently participating in a USDA Rural Development program (see page 2));
- Be a United States citizen or permanent legal resident;
- Demonstrate scholastic achievement and involvement; and
- Demonstrate financial need.

Scholarship Recipients Expectations:

If you are selected as one of the scholarship recipients, the Scholarship Foundation will provide up to \$3,000 per year (or \$1,500 per semester) for up to four years to assist you in paying for expenses related to your enrollment at the accredited school. Pursuant to the requirements of the Internal Revenue Code §117(b), the funds you receive from the Scholarship Program must be used:

- to pay tuition and fees required for enrollment at an educational institution; or
- to pay for fees, books, supplies, and equipment required for courses of instruction at such educational institution.

Promoting Education for Residents of Affordable Housing in Rural America

In addition, you will be required to agree:

- That any funds not expended or committed for the purposes of the scholarship set forth above will be returned to the Foundation;
- By January 1st and June 1st of each year, you will submit evidence of continuing eligibility, including evidence of tuition billing/payment at the accredited college, university, vocational or trade school for the term for which the scholarship is awarded.
- Evidence of continuing eligibility must include a grade report showing that a minimum Grade Point Average (GPA) of 2.0 each semester was maintained, while taking at least 12 credits and/or be classified by the school as a full-time student). If, in any semester, you do not maintain this standard, then the CARH Scholarship Foundation may terminate the scholarship or may, in its sole discretion, place you on probation for one semester. In such case, failure to achieve this standard in the next applicable semester will result in termination of the scholarship.
