*The substantial increase in CDBG funding for FY22 and FY23 was driven nearly entirely by the return, after a 10-year absence of \$1.5 billion for the Economic Development Initiative for the purpose of funding Community Projects/Congressionally Directed Spending (earmarks). In FY 23, just under \$3 billion is added for earmarks.

**The spending proposal includes full funding for renewal of Veterans Affairs Supportive Housing (HUD_VASH) vouchers under the broader Tenant-Based Rental Assistance fund for contract renewals.

***This \$20 million request is explained in HAC's [summary](#) of the USDA rural housing budget proposal.

[^]Of the amounts provided, \$2.65 billion is provided in a disaster supplemental for tenant based rental assistance in a separate section of the bill.

^{^^}Of the amounts provided, \$969 million is provided in a disaster supplemental for project-based rental assistance in a separate section of the bill.
